

Trinity Consultants is a leading global environmental consulting firm that brings 50 years of experience providing services and solutions in the EHS Regulatory Compliance, Built Environment, Life Sciences, and Water & Ecology markets. Trinity has the technical expertise, industry depth, and specialized capabilities to help clients achieve their goals across the natural and built environments.

Trinity has been regarded as a premier resource for multimedia environmental consulting services. Trinity prides itself in our prompt client responses and readily available specialists and support as outlined in the graphic below.

For clients that require temporary or permanent EHS management support for single or multiple industrial facilities, Trinity's One Source Service Plan is a fully customizable solution that offers professional consulting expertise for any type of operation in Arizona and nearly every major metropolitan area within the U.S. We also provide consulting support for locations in Canada, Europe, Asia, and Australia.

The following summarizes several of the key features of our Arizona-specific One Source Service Plans.

Arizona One Source Service Plans

On-site consulting staff support can be provided on a weekly, monthly or quarterly basis.

- Plans tailored to support any one or several multimedia EHS compliance areas
- Short-term staffing support
- Monthly support contracts
- Fixed fee options
- No long-term commitment

One Source Service Plans can include various regulatory reports, including but not limited to:

- Annual Emission Reports
- Industrial Wastewater Discharges
- Stormwater Reporting
- Title V Permit Compliance
- Hazardous Wastes
- Greenhouse Gas Report
