More 2027 reports and deadlines on back

Note: This is not an exhaustive list of reporting deadlines. Facility-specific requirements and deadlines may vary. Trinity suggests checking with local regulators for submission deadlines. Submit or postmark reports by the due date for on-time consideration. If due date falls on a weekend or holiday, Trinity recommends you submit or postmark the prior business day.

[1] Per EPA's October 2026 interim final rule, RY2025 GHGRP reports are due March 10, 2027 (extended from October 30, 2026). RY2026 reports remain due March 31, 2027. State reporting deadlines are not affected.

[2] All Title V facilities will report in 2027. ADEQ will notify Title V facilities of the exact due date. In 2026, the report due date was April 30th for Type A facilities.

[3] Annual Compliance Certification and Semiannual Monitoring Report due dates depend on the facility's Title V permit and reporting periods. Check the permit for the applicable dates.

[4] Unless specified in the individual air permit, refer to the federal rule for the reporting deadline.

Submit or postmark reports by the due date for on-time consideration. If due date falls on a weekend or holiday, Trinity recommends you submit or postmark the prior business day.

[3] Annual Compliance Certification and Semiannual Monitoring Report due dates depend on the facility's Title V permit and reporting periods. Check the permit for the applicable dates.

[4] Unless specified in the individual air permit, refer to the federal rule for the reporting deadline.

[5] CDP is a global non-profit that runs the world's only independent environmental disclosure system for companies, capital markets, cities, states and regions to manage their environmental impacts.

[6] Manufacturers (including importers) are subject to the reporting requirements based on manufacturing (including importing) activities conducted during the reporting period. This report is required every 4 years. The last report was due in 2024. The next report will be due in 2028 (covering reporting years for 2024 through 2027).
