

Trinity Consultants is a leading global environmental consulting firm that brings 50 years of experience providing services and solutions in the EHS Regulatory Compliance, Built Environment, Life Sciences, and Water & Ecology markets. Trinity has the technical expertise, industry depth, and specialized capabilities to help clients achieve their goals across the natural and built environments.

- We can solve all your domestic or international hazardous materials (HAZMAT) challenges
- We have in-house Certified Dangerous Goods Safety Advisors (DGSA) that can take care of all your European HAZMAT issues
- We monitor compliance with the requirements governing the carriage of dangerous goods
- We advise on the undertaking on the carriage of dangerous goods
- We can help prepare annual reports to the management of the undertaking or a local public authority, as appropriate, on the undertaking's activities in the carriage of dangerous goods

Our regulatory experts have professional experience working at the agencies and authorities whose regulations we help you observe:

- 49 CFR DOT
- PHMSA
- ICAO
- IATA
- IMDG
- ADR
- Transport Canada

We offer on-site visits to help establish good Dangerous Goods Program that entails:

- Training all HAZMAT employees
- Assessment of your current shipping practices against federal and international DG requirements
- Visual inspection of your entire operation
- Identification of non-compliant shipping practices
- Identification of regulatory exceptions to increase efficiency and reduce cost
- Total Value of Compliance Assessment with specific action items

ISO 9001:2015 certified at our corporate office in Dallas, Texas
