Note: This is not an exhaustive list of reporting deadlines. Facility-specific requirements and deadlines may vary. Trinity suggests checking with local regulators for submission deadlines. Submit or postmark reports by the due date for on-time consideration. If due date falls on a weekend or holiday, Trinity recommends you submit or postmark the prior business day.

[1] Per EPA's October 2026 interim final rule, RY2025 GHGRP reports are due March 10, 2027 (extended from October 30, 2026). RY2026 reports remain due March 31, 2027. State reporting deadlines are not affected.

[2] CDP is a global non-profit that runs the world's only independent environmental disclosure system for companies, capital markets, cities, states and regions to manage their environmental impacts.
