More 2027 reports and deadlines on back

Note: This is not an exhaustive list of reporting deadlines. Facility-specific requirements and deadlines may vary. Trinity suggests checking with local regulators for submission deadlines. Submit or postmark reports by the due date for on-time consideration. If due date falls on a weekend or holiday, Trinity recommends you submit or postmark the prior business day.

[1] Check your Air Quality Permits to confirm whether you have quarterly or semi-annual reporting requirements.

[2] Due every even-numbered year.

[3] Per EPA's October 2026 interim final rule, RY2025 GHGRP reports are due March 10, 2027 (extended from October 30, 2026). RY2026 reports remain due March 31, 2027. State reporting deadlines are not affected.

[4] PFAS manufacturers have 18 months from the effective date of the rule to report to submit the "TSCA section 8(a)(7) PFAS data call rule" in CDX. Small PFAS manufacturers (see definition in 40 CFR 704.3) who only import articles, the submission period will last twelve months, such that all reporting from these small article importers is due two years from the effective date of the final rule.

[5] Check your Title V Permit to confirm whether you have quarterly or semi-annual reporting requirements.
