More 2027 reports and deadlines on back

Note: This is not an exhaustive list of reporting deadlines. Facility-specific requirements and deadlines may vary. Trinity suggests checking with local regulators for submission deadlines. Submit or postmark reports by the due date for on-time consideration. If due date falls on a weekend or holiday, Trinity recommends you submit or postmark the prior business day.

[1] The annual hazardous waste report and assessment is due by January 1, but the KDOW - HWB allows a grace period until March 1. A report postmarked March 1, but received after March 1 may be assessed a late fee.

[2] Chronic Leakers Reports for large appliances containing ODS (≥ 50 lbs. per circuit) are required under 40 CFR 82 Subpart F. Chronic Leaker Reports for appliances containing HFC (≥ 15 lbs. per circuit) or substitutes with a Global Warming Potential of at least 53 are required under 40 CFR 84 Subpart C.

[3] Per EPA's October 2026 interim final rule, RY2025 GHGRP reports are due March 10, 2027 (extended from October 30, 2026). RY2026 reports remain due March 31, 2027. State reporting deadlines are not affected.

Note: This is not an exhaustive list of reporting deadlines. Facility-specific requirements and deadlines may vary. Trinity suggests checking with local regulators for submission deadlines. Submit or postmark reports by the due date for on-time consideration. If due date falls on a weekend or holiday, Trinity recommends you submit or postmark the prior business day.

[4] The air emissions survey is due 30 days following the receipt of the survey request letter, which typically arrives in the first or second calendar quarter.

[5] Wastewater DMRs must be submitted in NetDMR on or before the 28th day of the month following the monitoring period end date, which may be monthly or quarterly as specified in the permit.

[6] The hazardous waste annual registration (SQG and LQG only) is due 45 days prior to annual registration expiration date.

[7] Title V and MACT compliance reporting deadlines vary by regulation.

[8] CDP is a global non-profit that runs the world's only independent environmental disclosure system for companies, capital markets, cities, states and regions to manage their environmental impacts.
