

 Trinity Consultants is a leading global environmental consulting firm that brings 50 years of experience providing services and solutions in the EHS Regulatory Compliance, Built Environment, Life Sciences, and Water & Ecology markets. Trinity has the technical expertise, industry depth, and specialized capabilities to help clients achieve their goals across the natural and built environments.

The U.S. Environmental Protection Agency (EPA) finalized the PFAS TSCA One-Time Reporting Rule in late 2023 which requires reporting of PFAS import and manufacture that occurred within calendar years 2011-2022 (the reporting period). The rule affects a wide array of manufacturer who are not usually affected by Chemical reporting requirements. Trinity's experts have devoted staff to understand how this rule impacts customers and can provide to comply with the PFAS reporting rule.

We can help you analyze your current manufacturing operations for potential PFAS reporting issues. We help audit our supply chain for PFAS Compliance. Trinity can work with every level of your organization to meet the compliance requirements for PFAS reporting.
