Aug 10	Third-Party Verification for GHG Report	●				●

More 2027 reports and deadlines on back

Note: This is not an exhaustive list of reporting deadlines. Facility-specific requirements and deadlines may vary. Trinity suggests checking with local regulators for submission deadlines. Submit or postmark reports by the due date for on-time consideration. If due date falls on a weekend or holiday, Trinity recommends you submit or postmark the prior business day.

[1] Title V semi-annual and annual compliance reports due dates may be based on Title V permit issuance date. Refer to your Air Operating Permit for more details.

[2] Due every even numbered year. (For example, a report due by March 2024, would be activities from calendar year 2023). This requirement is fulfilled through the Dangerous Waste Annual Report in this state.

[3] Per EPA's October 2026 interim final rule, RY2025 GHGRP reports are due March 10, 2027 (extended from October 30, 2026). RY2026 reports remain due March 31, 2027. State reporting deadlines are not affected.

[4] Annual emission inventory reporting due dates for local air agencies vary. For example, June 30 for PSCAA and March 15 for SWCAA.
